GEORGE N. SALISBURY, Observer, U. S. Weather Bureau.

Washington's Birthday.

It is right that this day should be obgreatest of earth's sons. Whether GEORGE Washington is viewed as a divinely orproduct of the age for which he was fitted, the necessity of the time and its emergencies, it must be admitted that he was truly great and perfectly sdapted for the work which he accomplished.

nence. He lives in the hearts of his grateful countrymen who largely owe to him an ounce.

honor, valor, dignity and success. things should be said and worthy things should be said and worthy things should be done. Moderation ought to should be done. Moderation ought to govern in feasting and rejoicing, and the onnees, which at the rate pull by the Chicago the other day on a passage of mechanism that touches DANIELS father of his country should be nonored government would make its value \$568,in an honorable way.
